INTERVIEW SUMMARY

The applicant's representative Yina Mo thanks the Examiner for the courtesy of the telephone conversation held on January 29, 2009.

In response to the examiner's interview summary dated February 5, 2009, the applicant respectfully notes that in addition to claims 1-4, 9-15, 17, 21-31, 33, and 35-39 as mentioned by the examiner in the interview summary, claims 17-18 were also discussed during the conversation.

After clarifying the restriction, the applicant also inquired about the possibility of examining claims in both Group III (claims 27-28 and 35-39) and Group IV (claims 29-31 and 33) in view of the examiner's earlier indication that these claims were all allowable (office action dated June 17, 2008). The examiner indicated that she would agree to examine the claims in both Group III and Group IV upon applicant's provisional election of one group with traverse and request for examination of both groups.

Respectfully submitted,

Date: February 12, 2009
